STATE OF RELIGION

AND

Fraternal Correspondence With the Churches.

Dear Brethren and Sisters of the Mt Pisgah Association:
Our beloved and grand old Association is now in her seventy-first annual session with Ebenezer church, Newton county. The weather has been somewhat threatening, but that has not prevented a good meeting of the body. A kind Providence has so regulated the rains as not to interfere with the coming and going of those who attend, nor with the dispensing of refreshments. All the churches are represented except one. The meeting has been harmonious and cordial. Every one seemed to be anxious to accomplish as much as possible for the good of the cause. As far as could be judged, a spirit of Christian love has prevailed. The church and community have been kind and generous to the messengers. The preaching has been sound, able, and orthodox. Gathering from the tone of the letters, the churches are, as a rule, in a prosperous condition, and on rising ground. Many precious revivals have been reported—many brethren have been stirred by the Spirit to a sense of the obligations resting upon them as the professed followers of the Lord Jesus. We feel to hope that a better day is dawning for our Sacred Zion. Now, a few words of admonition: Many are rising up and saying, "Lo here, and lo there," but we are admonished in the words of eternal truth to "go not after them." We should view with suspicion, every new departure from the faith of our fathers. There is but one true system of religion, hence we can not follow the New Testament, and

adopt new forms. Our God is an unchangeable One—so His plans and purposes unchangeable. Let us follow the advice of the good old prophet Jeremiah, and "Stand in the ways, and see and ask for the old paths, wherein is the good way, and walk therein." We are told that by so doing we shall "Find rest for our souls."

G. P. CLARKE, Chairman.

APPENDICES.

Missions---A.

This work of the world's redemption began in the garden of Eden. The promise made to the woman that her seed should bruise the serpent's head was a promise that the Kingdom of Satan should become the Kingdom of our Lord and His Christ.

When Terah was ordered from Ur of the Chaldees to Canaan it was a significance that God had selected the family, through which the Messiah should proceed, and His promise to make Abraham a blessing to the world, shows that he had chosen him as the vessel or man from whom, or through whom, this great blessing should come.

We may trace God's promise on through Isaac, Jacob, David and directly to the Bethlehem manger, where His promise was fulfilled, and Judean shepherds were called to witness the great things that had been looked for for more than 4,000 years.

Christ did not come to save a tribe or nation, but the promise to Abraham was that through his seed should all families of the earth be blessed.

When Christ preached in Judea, Samaria, Galilee and Perea, he proved beyond doubt that his mission was worldwide, and that whosoever believeth upon Him should not perish, but have everlasting life, and His last command to His disciples was to go and teach all nations.

Our Savior laid the one great foundation and upon this foundation our fathers have wrought wisely

The Foreign Mission Board does work in China, Japan, Argentena, Brazil, Africa, Italy and Mexico, where we have 219 missionaries, besides native helpers. To this work Mississippi Baptists paid last year \$28,920.54. Mississippi has furnished thirteen of those workers, with one under appointment and one pending the Boards action.

The Home Board does work throughout the Southern States, Cuba, the Philipine and Hawaiiin Islands. This work is being done nobly by hundreds of workers. Mississippi paid for this work last year \$19,182.95.

The State Board does work within its own bounds and the good being done can not be estimated, neither can the work that needs to be done. On the Gulf Coast and in the Delta the needs are appalling, where Catholicism rules with an iron hand. Here these people have even begun work among the colored people, and if they ever succeed in Romanizing the southern negro, it will indeed by a sad day for us.

The Baptists of Mississippi gave for this purpose last year \$19,468.97. In all we gave \$57,572.46 for the Mission cause last year, and expended at home over \$333,000. We have in Mississippi 124,483 white Baptists. We gave for Missions about 45 cents per member.

In concluding this report we would urge upon pastors the necessity of informing themselves upon this question of all questions, "What can I do to bring the world to Christ?"

Brethren, let us stand behind those in the front with our prayers and offerings and co-operation, for the fields are ripe even unto the harvest, and we are well able to go in and possess the land. Gods word will accomplish that whereunto he has sent it.

Respectfully submitted,
W. E. FENDLEY, Chairman.

Temperance---B.

Your committee on Temperance report the following: While much has been done, and is now being done, to free our country from the great evil of intemperance, yet much more needs to be done before we can get this great evil eradicated from among us.

The Bible teaches us to be temperate in all things. Your committee would urge total abstinence from the drink habit, this being the only sure hope of our country. This great question should be so pressed upon our people as to make it a matter of conscience. Drunkenness is classed with all other evils in the Bible; "Touch not, taste not, handle not the unclean thing;" "Woe to him that putteth the bottle to his neighbor's mouth;" "Drink not wine nor strong drink, thou, nor thy sons," Lev. 10:9.

It is a shame for any professor of religion to drink intoxicating liquors. We rejoice with great joy that so much has been done within the last twelve months to put this great evil out of states adjoining our own. The day has come for Christians to take strong steps against the coco-cola habit. It is a weak solution of cocaine, and it is a great evil, that many of our Christian brethren are selling it to the youth of our country today. Its influence is against the teachings of God's word; and it tends to ruin our boys and girls. The noble women of Neshoba county met our Honorable judge the other day with a petition, asking him to co-operate with them in putting down this great curse. Brother, let our prayers be with our efforts to abolish this great evil from among us.

Respectfully submitted,

W. J. BRUNER, Chairman.

Queries and Requests---C.

We the committee on Queries and Requests, submit the following:

We find no queries, but find nine requests for the

next meeting of this body. We recommend that the Association meet in her next annual session with Hebron church, Newton County, Miss.

Submitted,
J. E. GRAHAM, Chairman.

Publications--L.

We, your committee on Publications, submit the following:

We recommend the reading of the Mississippi Baptist, the Baptist Record, Foreign Mission Journal, Home Field, and Orphanage Gem: We would especially urge all the brethren in the General Association to read the Mississippi Baptist. It is the best and cheapest paper we can get. We would call attention to the importance of good books and papers in the home. Of all books the Bible must, and will always be first: A reading people is a ready people.

Respectfully submitted,
J. P. CULPEPPER, Chairman.

Nominations--E.

Your committee on Nominations submit the following.

That Elder W. J. Bruner preach the next introductory sermon; Elder F. M. Breland his alternate. That Elder W. E. Fendley preach the next annual sermon on Missions; Elder A. L. Ingram his alternate.

Respectfully submitted,
R. K. CLEVELAND, Chairman.

Education--G.

Your committee on Education submit the following report:

The word educate means to instruct. God has given us intellectual faculties, but has left the developing and instructing work to man. We feel grateful to God for the great opportunities He has given us for developing the talents that He has endowed us with. We recommend that this instructing begin in childhood; while the mind is young and tender is the best time to lay the foundation;

"As the twig is bent, so will the tree go." Fathers and mothers, are you polishing the bright jewels that God has committed to your care? If not, turn and read what God has said: "Train up a child in the way it should go, and when he is old he will not depart from it." Surely God would have them brought up in an intelligent and useful way.

Your committee would recommend ministerial education. Owing to the great mass of educated people we feel it very important that the ministers of God be educated. First of all, he needs a consecrated heart and life to the work.

We recommend above all our own Clarke Memorial College, and urge our boys and girls to attend same. Why Clarke Memorial College?

1st. Because of the great and departed saint, in whose memory it is built.

2nd. Because it is our own home school.

3rd. Because it is a denominational school, and belongs to the Baptists of East Mississippi.

We feel grateful to God for the work that has already been done in the movement. Surely God is blessing the move.

Sunday Schools H.

The Bible schools, or teaching service of a church, is that service where people meet for the special purpose of studying God's Word in a systematic way. The scriptural authority for such a service is thoroughly warranted by the following, and many other passages, viz: Matt. 4:23; Acts 13:1; Eph. 4:11; Heb. 5:12. We recommend that each church in this Association put forth a special effort to maintain and evergreen Sunday school, to teach the Bible, and to train the church membership. In each school we suggest two things, viz: Each school be graded in order to enlist and hold people, and trained teachers who are able to teach. We are sorry to note that out of the forty-three churches reporting to this Association only fifteen reported Sunday school. We request that all the schools be listed in the statistical table of the minutes.

Respectfully submitted,
J. E. BYRD, Chairman.

Orphanage I.

Your committee on Orphanage belonging to the Baptists of our own State, beg leave to report: Brother J.

R. Carter, the manager, is a man of whom the Baptists ought to feel proud. We now have one hundred and sixty children. Brethren, let us pray for them, and come to their help with our money and support in other ways. They need clothing and provisions. In many ways we can help. Let the Orphanage have a warm place in our hearts.

Submitted,

H. C. TAYLOR, Chairman.

Obituaries—J.

We, your special committee on Obituaries, respectfully submit the following:

By examining the letters from the various churches and from other sources, we find that twenty (20) brethren and sisters have, by the incident of death, fallen from our ranks and passed into the unknown beyond. While it is sad to have these loved ones and faithful co-workers taken from us, and while we will very greatly miss their pleasant faces and great influence for good, still, we would not call them back, because they are with God.

We know not why so many faithful brethren and sisters are taken from us; yet would not pause a moment to question the propriety of the work of the Great God; but would bow in humble submission, and say in the language of the writer of old: "The Lord giveth, and the Lord taketh away. Blessed be the name of the Lord."

Let us endeavor to profit by their good examples, imitate the virtues of their characters and fondly cherish their memory; endeavoring herewith to render a tender tribute of respect, which we feel to be due them from this body.

As it is impractical to speak of each one separately—and perhaps there are some whose names we could not obtain—we give the names of all reported, and maintain the same feeling for those not reported, and in all submit this as a testimony of our paternal esteem.

The names obtained are as follows:

ABSTRACTS OF FAITH--Preamble.

We the churches of Jesus Christ, who have been regularly baptized upon the profession of our faith, and convinced of the utility of a combination of churches and of maintaining a correspondence for the preserving of union amongst churches of the same faith, for ourselves into an Association upon the following principles, viz:

1. We believe in one Triune God, the Father, the Son and the Holy Ghost, the same in essence, equal in power and glory.

2. We believe the Scriptures of the Old and New Testament were given by the inspiration of God, and are the only rules of faith and practice.

3. We believe in the fall of Adam from his original rectitude, and in him, all his posterity; in consequence of which, we inherit a fallen and depraved nature, consequently the scriptural doctrine of the total depravity of human nature, and of man's inability to restore himself into the favor of God.

4. We believe that God hath loved His people with an everlasting love, that He chose them in Christ before the foundation of the world, that He calleth them with a holy and effectual calling and being justified alone through righteousness of Christ imputed to them, are kept by the power of God through faith into salvation.

5. We believe there is one Mediator between God and man—the man Christ Jesus who, by the sanctification He made to the law and justice, in becoming an offspring for sin, hath, by His most precious blood, become the end of law for righteousness to every one that believeth.

6. We believe that the Gospel is God's appointed means of calling sinners to the knowledge of the truth—that He has commanded it to be preached to every creature and required all men to repent, believe and obey.

7. We believe that the Gospel is made effectual by the operation of the Holy Spirit, and that the sinner, in order to be saved must be born again.

8. We believe that good works are the fruits of faith, and follow after justification, and are evidences of a gracious state, and all believers are bound to obey every command of God from a principle of love.

9. We believe in the resurrection of the dead, a general judgment and that the happiness of the righteous and the punishment of the wicked will be eternal.

GOSPEL ORDER.

1. We believe that a visible church of Christ is a congregation of persons who have been baptized upon a profession of their faith, and who have given themselves to

one Lord, and to one another in brotherly covenant to keep up a Godly discipline agreeable to the teachings of the New Testament.

2. We believe that Jesus Christ is the only Head and Lawgiver of His church; that the government is with the body, the church, and has equally the right and privilege of each member thereof.

3. We believe that baptism and the Lord's Supper are Gospel ordinances, appointed by Jesus Christ, and are to be continued in the church until His second coming.

4. We believe that the ordinances of baptism and the Lord's Supper are properly administered only by ministers called of God and set apart to the work by the imposition of hands by a Presbytery of Regular Baptist ministers.

5. We believe that immersion only is baptism, and that believers in Christ are the only proper subjects.

6. We believe that none but regularly baptized church members have a right to partake of the Lord's Supper.

7. We believe that it is a duty and privilege of all believers to make a public profession of their faith, to submit to the ordinances of the Gospel and give themselves as members to the visible church.

8. We believe it to be the duty of every church to expell from her communion every member that is immoral in conduct, or that holds doctrine contrary to the Scriptures.

OBJECTS AND POWERS OF THIS ASSOCIATION.

1. This Association acknowledges and maintains that each church is an independent body and possesses the sole right to exercise and control its own affairs; and, therefore this Association has no right or power to interfere with the internal rights and privileges of churches composing its body, but may withdraw from any church which may hold false doctrine, or tolerate immoral practice.

2. The objects of this Association shall be to promote fellowship and harmony among the churches; to inquire into any difficulties between the churches, and remove them if possible; to give the churches the best advice they can in difficult matters, when solicited, and, in general, to advance the interest of the Redeemer's Kingdom in any way they may deem practical.

3. With regard to the benevolent institutions in our country, we desire it to be the inalienable right of every Association, of every church, of every individual member of a church, to support them according to their own views of duty and dictates of their own conscience; and the right shall never be called in question in this Association. And any motion whereby this right is called in question shall instantly be ruled out by the Moderator, as being unconstitutional.

4. This Association may maintain a friendly correspondence when convenient with other religious bodies of the same faith.

5. Ministers of the Gospel in good standing, though not delegates, may be invited to seats in the Association, but not to have the privilege of voting.

6. The Association may appoint any person or persons by and with their consent, to transact any business they may deem necessary.

7. The Association may adjourn to any time and place they think proper.

8. The Association shall keep a record of their proceedings, and have them printed when necessary.

9. The Association shall have a fund, and appoint a treasurer to take charge of it, who shall account to the Association for all moneys which shall come into his hands for the use of the Association.

10. The Association shall form their own By-laws and regulate their own proceedings in such a manner as they may think expedient.

RULES FOR DECORUM.

1. The Association shall consist of delegates chosen by the churches to which they respectfully belong, and shall be styled the Mt. Pisgah Association.

2. Such delegates shall be members in good standing, and no member under church censure shall be allowed a seat in the Association.

3. They shall produce letters certifying their appointment by their respective churches, and stating the number baptized, received by letter, restored, dismissed, excom-
